Chris Dove Memorial 5K

On November 12, 2011, Rick Ashley of Carson Ashley and Associates and his wife, (shown below) ran in the 1st annual Chris Dove Memorial 5K race (www.wellrunrace.org), a charitable event to support Young Life Ministries (<http://www.younglife.org>). The race is run in honor of Chris Dove, a civil engineer and active community member, who died in a tragic car accident in 2005. Chris' life was forever changed by Young Life Ministries, where he was a volunteer and long-time supporter.
